

McCafe Mobile Frequency Punch Card Offer Redemption Process:

After a guest SUCCESSFULLY scans their mobile offer code for their first 5 “frequency punches” a “No Offer Selected” message will appear on the register, as shown. This message confirms the virtual “punch” has been applied correctly.

McCafe beverages purchased as part of an Extra Value Meal will not qualify for this offer. Be sure to let each guest know it may take up to 12 hours for their mobile punch card to be updated.
