Dear Friends:

Chairman Emeritus
David A. Rause

As we prepare to host our annual golf outing to benefit the Ronald McDonald House, we hope to have your help in making this year's event successful for the families needing the services of the "House that Love Built" while their children fight through illness and disease.

David W. Rause

Our ask is simple; participate with us in person on September 13, 2017 at Irish Waters Golf Club, donate an item for auction or raffle, or do both! No prize or auction item is too small or too big. Golfing is available for all skill levels as we strive to provide an enjoyable and relaxing day, with fun for all, while raising money for this most worthy cause.

Please know that over 50% of all stays at the Ronald McDonald House, across from Children's Hospital in Milwaukee, are families from our immediate area. Our friends and neighbors are finding comfort at this sanctuary while their children undergo treatments. The House becomes their home away from home in a time of great need.

Director Emeritus

We hope you consider a donation and/or participation this year. Call 920-725-8969 to arrange your foursome, have your questions answered, or schedule a donation pick-up. Contributions can also be mailed to: Valley Management Foundation-18 Jewelers Park Drive Suite 100-Neenah, WI 54956.

Thank you for your consideration and we hope to hear from you soon.

Very truly yours,

The Valley Management Foundation Team
